Why is WECO TRAVEL the best choice for travel technology, consolidation, savings and best practice in sustainability?

Enriching your travel management experience..!

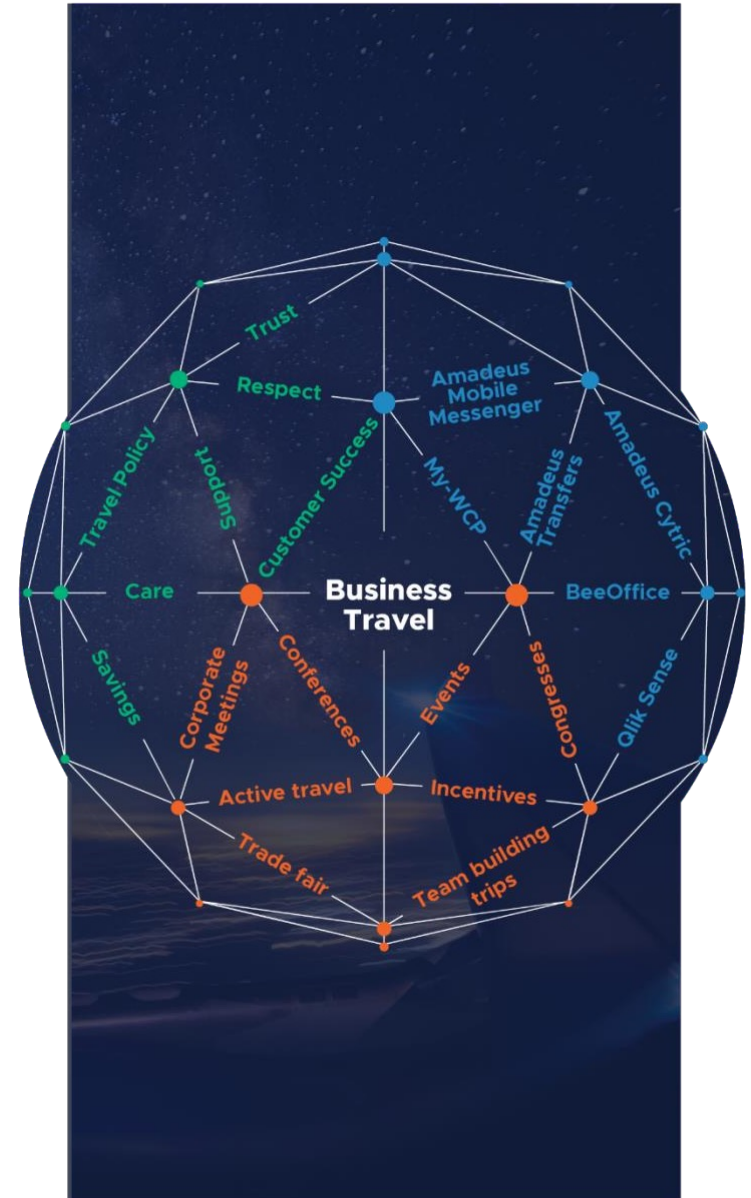

Who we are:

The **Weco-Travel Group** is the largest independent TMC's (Travel Management Company) in the CE Region covering Poland, Czech Republic, Slovakia, Baltics, Hungary and Romania.

We provide our clients with 360° solutions for integrated advisory & technology services in terms of business travel management & event organization.

We design and implement bespoke travel management programs, while empowering our clients' insights on:

- **Customer Care & Relations**
- **Technology**
- **Meetings&Events, Incentives&Congresses**

Key differentiators:

Operational:

- All online processes are fully automatized and standardized;
- 100% transparency – Direct & transaction costs;
- 100% accuracy in capturing and reporting the data (travel, financial, CO2 footprint);
- PCI DSS Certification;
- ISO 27001 Certified – Data and Information Security;
- Local and regional leader in Travel Technology implementations - OBT CYTRIC TRAVEL by Amadeus
(25 systems successfully implemented in the past 3 years, over 13.000 active users)

Financial:

- Air PLUS (virtual payment by Lufthansa) - Partner since 2014;
- CONFERMA Virtual Payment by AMADEUS - implemented since 2020;
- CSR Certified (ECOVADIS Silver certification)
- Online payment processes - fully automatized;
- Direct&accurate budget reconciliation, also in relation with suppliers (airline companies, hotels local and global, rent a car, trains);
- Full credit voucher rent a car bookings (OBT automatisisation) – the largest 4th global companies: AVIS, HERTZ, BUDGET, ENTERPRISE – all bookings, 100% financial guarantee by WECO in relation with car suppliers;

Sustainable Development and Travel Management

- **Weco-Travel is the first regional TMC to take proactive actions for sustainable development.**
- **Our contribution to the fight against climate change is aimed at reducing the environmental impact of corporate travel services.**
- **We are the first and the one TMC in the region who are offering **Travel Emissions Impact Report** to our clients.**

It is based on four pillars:

- ✓ **business ethics**
- ✓ **increasing LowCO2 travel sales**
- ✓ **promoting social initiatives and behavior,**
- ✓ **offsetting unavoidable CO2 emissions**

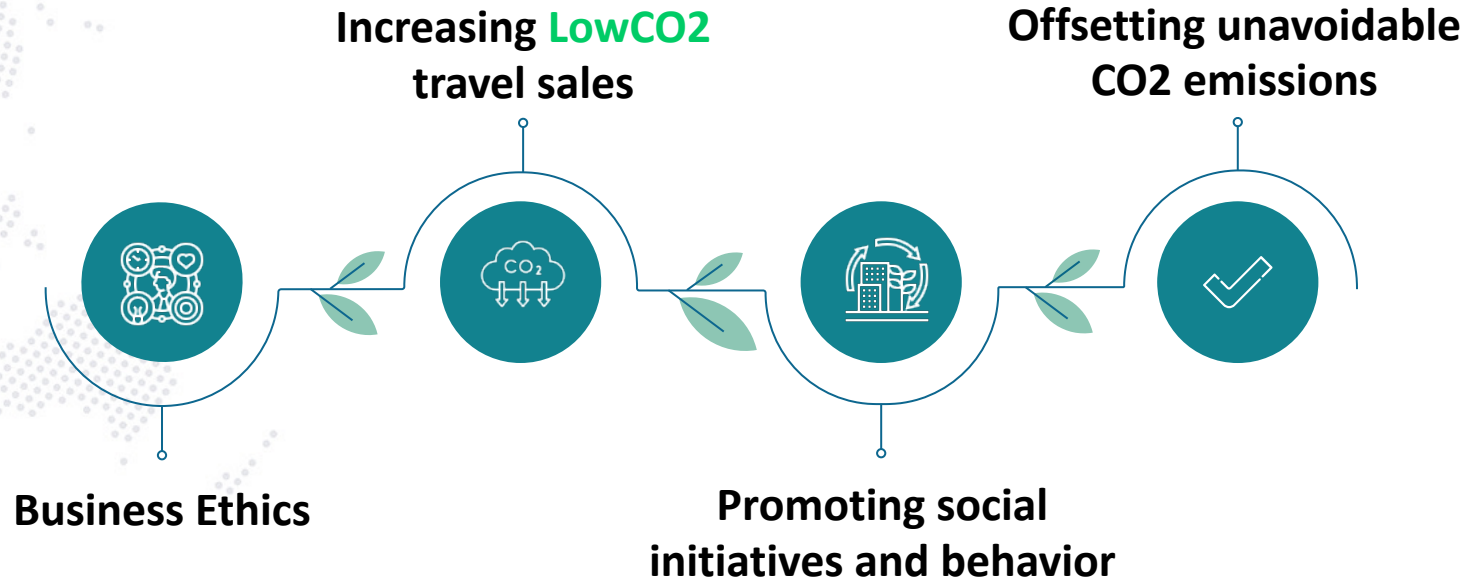

Sustainable Travel Management

Weco-Travel is the first regional TMC to take proactive actions for sustainable development.

Our contribution to the fight against climate change is aimed at reducing the environmental impact of corporate travel services.

We are the first and the one TMC in the region who are offering **Travel Emission Impact Report** to our clients.

Cytric Travel by AMADEUS

ARE YOU DIGITALLY TRAVEL – READY?

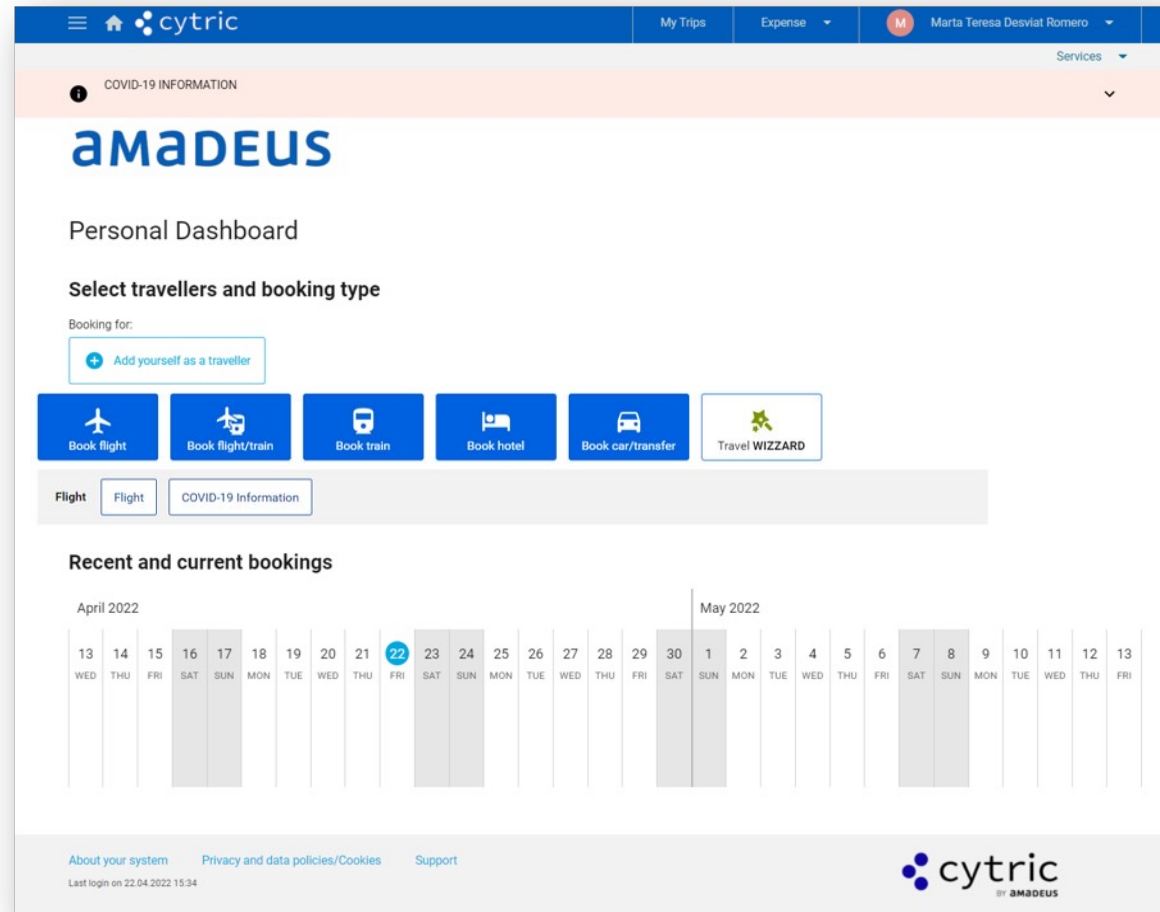

- Is a fully customizable online solution **available from any device** (laptop, mobile, desktop), enabling you to **plan and book trips**.

- All the content you need

Access the best content, backed by our partnerships with travel providers across the industry. Search and compare all the content in one display, no matter which source it comes from.

- Co2 calculation

View and filter search results by the lowest CO2 emissions, compare air and rail options by greenest route. You can also set up a hotel program that includes only sustainability-minded chains and properties.

The screenshot shows the Cytric Travel by AMADEUS dashboard. At the top, there's a navigation bar with the Cytric logo, user name 'Marta Teresa Desviat Romero', and options for 'My Trips' and 'Expense'. Below the navigation bar, there's a 'COVID-19 INFORMATION' section. The main content area features the AMADEUS logo and a 'Personal Dashboard' section. Under 'Select travellers and booking type', there's a 'Booking for:' field with an 'Add yourself as a traveller' button. Below this are several booking options: 'Book flight', 'Book flight/train', 'Book train', 'Book hotel', 'Book car/transfer', and 'Travel WIZZARD'. There's also a 'Flight' dropdown menu with 'Flight' and 'COVID-19 Information' options. The 'Recent and current bookings' section shows a calendar view for April and May 2022, with the 22nd of April highlighted. At the bottom, there are links for 'About your system', 'Privacy and data policies/Cookies', and 'Support', along with the Cytric logo and 'BY AMADEUS' text.

All the content you need

Access the best content, backed by our partnerships with travel providers across the industry.

Search and compare all the content in one display, no matter which source it comes from.
