

GROUP

KR Group was established in Poland in 2000. Over the years the company has built a considerable position on the highly competitive market of accounting, tax, audit, payroll and HR services. KR Group applies an excellent understanding of business realities to its core services, thus attracting the most renowned companies in its portfolio of clients.

Expanding in the CEE region? Choose a single regional provider

In 2016 KR Group made a strategic decision to increase its regional presence by establishing branches in Romania, Hungary and the Czech Republic. We also support our clients in Slovakia. Our offer includes a variety of integrated services for pan-regional groups in CEE, such as:

- **Single point of contact**, including dedicated account manager and team to facilitate cooperation across KR Group offices
- Harmonization of VAT compliance processes and **one-stop shop** for settlement of VAT in the CEE-5
- **Single reporting system**, including unified management reporting and HR & payroll reporting
- **Centralized payment process** management services
- **Pan-regional tax** team capable of dealing with cross-border transfer-pricing projects and accounting software localization
- **Interfaces and integration developed** for most accounting and reporting software
- **Knowledge-sharing tools** and **procedures** ensuring time efficiency
- **In-house developed accounting data warehouse** connected with local accounting software.
